NAZAROV VICTOR

WEB DEVELOPER

As a web developer with 2+ years of experience, I specialize in creating visually appealing and functional web applications using technologies like React, HTML, CSS, and JavaScript. I deliver adaptive, responsive designs ensuring seamless user experiences across all devices. I have successfully completed projects for clients in Ukraine, Europe, and the USA, consistently providing high-quality solutions. I excel in collaborative environments and am dedicated to continuous learning and growth, staying current with industry trends and best practices.

SKILLS

- Html, Css(Sass), Antd, Mui, GIT, NPM
